**Totals for Arkansas:**

**TOTALS FOR ALL OWNERSHIP TYPES:**

*Total Contracts:* 179  
*Total Assisted Units:* 7,924

**TOTALS FOR FOR-PROFIT OWNED PROPERTIES ONLY:\***

*Total Contracts:* 79  
*Total Assisted Units:* 4,829

\*The total includes all Section 8 units subject to expiration by the date provided. In general, for-profit owners are more likely to opt out than nonprofit owners. Also, any owner (nonprofit or for-profit) who has syndicated or refinanced are not likely to opt out of a Section 8 contract. If ownership type is not available for certain properties, it is because HUD's database is missing this information. Only properties certain to be owned by for-profit entities are included in the totals for for-profit owned properties. "Limited Dividend" owners are included in the for-profit count.

Data compiled from several HUD sources and not independently verified. This list does not include Section 202 and 811 properties with PRAC or PAC contracts.

Section 8 Contract information is from August 2009 and Mortgage Information from September 2009.
