Totals for Connecticut:

TOTALS FOR ALL OWNERSHIP TYPES:

| | |
|------------------------------|--------|
| <i>Total Contracts:</i> | 231 |
| <i>Total Assisted Units:</i> | 15,415 |

TOTALS FOR FOR-PROFIT OWNED PROPERTIES ONLY:*

| | |
|------------------------------|-------|
| <i>Total Contracts:</i> | 107 |
| <i>Total Assisted Units:</i> | 8,891 |

*The total includes all Section 8 units subject to expiration by the date provided. In general, for-profit owners are more likely to opt out than nonprofit owners. Also, any owner (nonprofit or for-profit) who has syndicated or refinanced are not likely to opt out of a Section 8 contract. If ownership type is not available for certain properties, it is because HUD's database is missing this information. Only properties certain to be owned by for-profit entities are included in the totals for for-profit owned properties. "Limited Dividend" owners are included in the for-profit count.

Data compiled from several HUD sources and not independently verified. This list does not include Section 202 and 811 properties with PRAC or PAC contracts. Section 8 Contract information is from August 2009 and Mortgage Information from September 2009.
